

What's unique about Whispering Canyons Foundation?

The Foundation assigns each girl her **OWN** horse. She learns to manage and provide all care for her horse, treating it as if it was her own. Your sponsorship helps her participate in a unique program that teaches confidence, compassion, responsibility, and the gift of hard work.

Your sponsorship helps covers the cost of feed, grain, boarding, medication/vaccinations, 4H show fees, and farrier fees to care for hooves (not to mention a life-changing experience for a girl).

The cost for **'your girl'** to participate 5 days a week- year round at the ranch (and in 4H shows) is only \$150 per month for those caring for an adult horse or \$75 per student for those caring for babies.

**We invite you to donate an amount that fits YOUR budget.
\$10, \$20, or any monthly amount will help her reach her goal.**
